

Eyes Examined Glasses Supplied

Greater advancement has been made in the optician's business than in any other. A few years since spectacles were handed over the counter like ordinary merchandise, but today the services of a fully qualified optician are essential in order to determine—by a scientific examination of each eye—what are the correct glasses.

ROGAN PITCHES ONE-HIT GAME IN LAST TILT

(Continued from Page 11.)

third when the throw came back. But the heave was over Benn's head, and the 25th man raced back to the home plate, tying the score. Johnson hit a high fly to Andrade and Smith fell victim to Martin's curves.

Benn Peaved. Barker went out to Rogan and Hawkins to open the seventh, and Rogan played with the ball and the runner as a cat would with a mouse. Then Benn had three balls with no strikes, and when Capt. Stayton called the second one good Benn said "No" so loud that it could be heard in the stands. He went out on the next ball Fagin to Hawkins. Andrade was out the same route.

Benn dropped Gollah's high foul and the batter was then called out on the third strike. Hawkins went out on a hot drive to McGrath. Martin fielded his position well and got the runner at first. Moore went out, Kennedy to McGrath.

Traumatola Stops Triple. Rogan fanned McGrath and Traumatola in the eighth, and Martin went out. Fagin to Hawkins. Fagin hit a weak one to pitcher, and then Swinton hit a hot drive to right that was ticketed for a triple. Chauncey Traumatola raced across the field, making an attempt to stop the drive. Just as the ball was taking a drop to the greensward the Olympic fielder struck out his gloved hand and stopped the ball. It was a great catch, and he was given an ovation. Rogan hit into the air to McGrath.

Rogan had a big smile on his face in the ninth, and he proceeded to pitch baseball. Riordan hit a weak one to pitcher, and Kennedy was up. Rogan showed him the ball and then laughed, and the home run man ambled back to the aquatic pool after an exhibition of puncturing the ozone. Friene went out by a great play by Smith.

Johnson Kills Ball. Then came the ninth, and Crafton and Johnson were up. The fans who know the ability of these men said: "Either one is liable to break up the game right here." But the first half of the swatsmith club was retired on three strikes by Martin. Then Johnson hit the ball far over Traumatola's head and the sphere rolled nearly to the fence, and the crowd got on its feet, gave a yell for the victors and hurried to their belated dinners, voting the contest one of the best exhibitions ever seen at the local ball orchard.

TUNA CLUB WILL HEAR MAINLAND FISHERMEN TALK

The Hawaii Tuna Club will hold a meeting at 4 o'clock this afternoon in the rooms of the Chamber of Commerce, with talks from two noted game-fishermen of the mainland as the principal part of the program. James W. Jump of Los Angeles and F. K. Burnham of Martinez, Cal., are to speak. The club has awarded them special buttons for their recent fishing feats in Hawaiian waters, and these will probably be presented. A public invitation is extended to be present.

BASEBALL HAS GOOD EFFECT ON FILIPINOS

NEW YORK, N. Y.—Addressing the diners at the banquet of the National Baseball League recently former President Taft said that baseball, taught to the Filipinos by the American soldiers, was having a good effect on them. Baseball had supplanted head hunting among the Igorrotes, he said.

SPEED DEMONS FAIL TO MAKE RECORD MARKS

(Continued from Page 11.)

showed excellent judgment in not trying to dash around the turns, as an accident was certain had they speeded up.

The racing game is a popular one and Honolulu should support it, and judging from the crowd present on Saturday will do so; but the meeting of Saturday was a disappointment to those who expected speed when it could not be given on such a track. It was too dangerous around the turns to make any time, and consequently the class of the meet was spoiled.

Waterman brought over good cars, and the Duesenbergs showed plenty of speed, but not what it is capable of. The drivers were capable, but the track was not in shape for speed which the racing fiends like to see in an auto race. The events of the day were as follows:

First Event—Ten-mile motorcycle race, open to stripped stock machines. First, Edward Cummings; second, F. W. Roper. Time, 11 minutes 13 seconds.

Second Event—One mile exhibition from flying start, by Lou Grandy in Duesenberg racing car. Time, 1 minute 5 1/2 seconds.

Third Event—Five mile motorcycle exhibition, by Joe Wolters on Excelsior. Time, 5 minutes 9 1/2 seconds.

Fourth Event—Fifteen miles free-for-all motorcycle. First, Wolters; second, Cummings; third, Roper. Time, 15 minutes 42 1/2 seconds.

Fifth Event—Five-mile auto relay race. Waterman in National and Wenz in Fiat won; Gandy in Duesenberg and Moose in Maxwell second. Time, 7 minutes 41 3/5 seconds.

Sixth Event—Twenty-five mile free-for-all auto race. First, Waterman in National; second, Gandy in Duesenberg; third, Wenz in Fiat; fourth, Moose in Maxwell. Time, 30 minutes 32 seconds.

Officials—Referee, Walter F. Dillingham; starter, Jack Morrill; timers, Lester Petrie and Robert Horner; technical committee, J. F. McCorkle, Frank Shaner and Frank Hustace; clerk of course, Ben F. Hollinger; scorers, Lafa Fain, J. W. Doody and G. W. Schuman.

MAUI COURTS TO BEGIN GRINDING MIDDLE OF MONTH

[Special Star-Bulletin Correspondence]
WAILUKU, Feb. 25.—Grand and trial juries for the March term of the second circuit court were drawn on Thursday. The grand jurors are to report on March 15, and the trial jurors on March 20. So far as is known now the criminal term will not be particularly heavy, and the grand jury will probably finish its work quickly.

Investigation of the shortage of \$6000 to \$10,000 of the court funds, for which the former clerk, Edmund K. Hart, is held to be responsible, will be the most important work of the body. The work of examining Hart's books is still in progress and the results of this will be placed in the grand jury's hands. It is stated that the careful checking by J. N. K. Keola is not tending to minimize the amount of the shortage.

There will probably be a fairly heavy term of civil business and jury waived cases.

The grand jurors are: George S. Aiken, M. C. Ayers, W. D. Baldwin, John Chalmers, Frank M. Correa, George H. Farnsworth, J. W. Holland, S. E. Hubbard, F. G. Krauss, Jacob M. Lee, T. T. Meyer, Amos C. Mozetta, G. C. Munro, William Olsen, H. B. Penhallow, William F. Pogue, Thomas Pratt, August Reimann, H. W. Rice, Frank G. Stevens and V. A. Vetlesen and Joseph Cockett.

Names of the trial jurors are: James S. Achong, Ben Ambrose, W. E. Bal, E. E. Boyum, C. C. Campbell, E. B. Carley, W. A. Clark, James Cumming, W. F. J. Dale, D. W. Driscoll, John P. Foster, P. J. Goodness, John D. Holt, Jr., Hugh Howell, John van Huisen, Arthur Keanini, R. J. K. Nawahine, Howard E. Palaikiko, Joseph K. Recard, William A. Sparks, L. von Tempky, R. B. Walker, James T. Wayman, L. Weinzheimer, O. J. Whitehead and E. Yoshihara.

SPINSTER PROFESSOR GIVES A COURSE ON LOVE MAKING

BALTIMORE, Md.—When the class of 1916 is graduated from Goucher college next June, one-half its number will be authorities on love in all its ramifications, including the gentle art of successful marriage. For, by way of finishing the college education of the Goucher seniors, Dr. Lillian Welsh, lecturer in hygiene, today initiated a weekly course of "Instruction on love and marriage."

Forty members of the senior class attended the lectures. Freshmen, sophomores and juniors are barred from the lectures.

A few of the undergraduates have expressed skepticism over the attempts of Dr. Welsh to give instruction concerning matrimony, since the instructor herself is a spinster.

Spain is in the market for \$20,000,000 worth of war munitions and munition making machinery.

EXTREME WEAKNESS AND SUFFERING

Read How Mrs. Goodling got Relief and Strength.

York, Pa.—"I have used Lydia E. Pinkham's Vegetable Compound and found it to be all you say it is. I was so sick that I could not stand at my sink to wash dishes and I could not sit without a pillow under me. I had the doctor every few days but since I have taken the Compound I don't have to send for him. I have had three children and could not raise any of them, but since I have taken the Compound I have a bright baby boy. I advise every suffering woman to try it and get relief. It has done wonders for me."—Mrs. CATHERINE GOODLING, 138 E. King Street, York, Pa.

When a medicine has been successful in bringing health to so many, no woman has a right to say without trying it, "I do not believe it will help me." There must be more than a hundred thousand women in this country who, like Mrs. Goodling, have proven what wonders Lydia E. Pinkham's Vegetable Compound can do for weak and ailing women. Try it and see for yourself.

If there are any complications you don't understand, write Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

PACIFIST THINKS U. S. IN DANGER OF WAR

EUGENE, Ore.—Back from Europe, where he went as the delegate of the University of Oregon with the Ford peace party, Lamar Toozie said he was convinced that the United States is in constant danger of being embroiled in the world war, and that the nation should prepare to defend.

Eduardo Suarez-Mujica, Chilean ambassador, presented to the state department Chili's ratification of the peace commission treaty negotiations negotiated by Secretary Bryan.
